Rise Art can help with personalised art commissions. We can also source artists to produce site-specific artworks or murals. Our advisors can source a wide range of artists whose work matches your client's brief.

SEE IT IN SITU

CASE STUDY: CENTRAL LONDON OFFICE SPACE

Our client was moving office and wanted the new space to be a comfortable and pleasing environment for their employees. For the client, well-being in the office was key and at Rise Art we know that art can empower and motivate employees.

We collaborated with their interior designer and came up with artwork options for the reception, meeting rooms and studies. Studies show that good art in the office can improve productivity by up to 30%. So our client and their employees were thrilled with the results.

CASE STUDY:

LUXURY SHOW FLATS

Rise Art was approached by an interior design and architecture firm to provide artwork for two luxury show flats in Central London. Together with the client, we tailored a selection of just over thirty works for the properties. Rise Art handled all the logistics, including framing, delivery and installation. The result? Two exquisite modern interiors with sophisticated contemporary art accents.

“

“RISE ART PROVIDED AN AMAZING RANGE OF ART OPTIONS, WHICH INCLUDED SCULPTURE AS WELL AS PRINTS AND ORIGINALS. THEY WERE VERY RESPONSIVE THE WHOLE WAY THROUGH THE PROJECT – FROM INITIAL CONCEPT MEETINGS TO INSTALL. THEIR PIECES TURNED A NEUTRAL SPACE INTO SOMETHING BEAUTIFUL, INTERESTING AND NUANCED. WE WOULDN'T HESITATE TO USE THEM AGAIN.”
